

The Revolutionary System Transforming the Way Frozen Treats are Produced & Enjoyed

Features & Benefits

Delicious:

- ◆ Freshly frozen delights such as premium ice cream, frozen smoothies, protein shakes, and lattes
- ◆ Made with premium ingredients
- ◆ Exceptionally smooth and creamy texture

Personalized:

- ◆ Single servings of a variety of product categories and flavor choices in 2-3 minutes
- ◆ No cross-contact between flavors

Convenient:

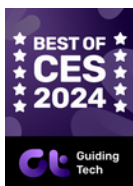

- ◆ Easy to set up - uses a standard wall outlet, portable, and countertop friendly
- ◆ No water line or drain required
- ◆ No preparation of the pod
- ◆ No cleaning required - food does not touch the machine during mixing, freezing, or dispensing

Sustainable:

- ◆ Shelf-stable pods eliminate the cold supply chain associated with shipping and storing ice cream

Choose. Chill. Enjoy.

1 CHOOSE: Pick your favorite ColdSnap pod and insert it into the machine.

2 CHILL: Close the lid and let ColdSnap get to work churning and freezing your treat.

3 ENJOY: In just 2-3 minutes, you'll be savoring a freshly frozen delight. The best part? No cleaning required.
